San Diego County Board of Supervisors

MEDIA ADVISORY

FOR IMMEDIATE RELEASE

Tuesday, February 19, 2008

Chairman Greg Cox
In the Coming Week

IT IS EASY BEING GREEN

Chairman Greg Cox will deliver the opening remarks at the Going Green Program, a conference on green purchasing for officials from cities and government agencies in the region. The conference will allow participants to learn more about green purchasing and how to be environmentally responsible. Chairman Cox will open the conference and share the County's green initiatives.

10 a.m. Wednesday, February 20, County Administration Center, 1600 Pacific Highway, San Diego

BREAKING GROUND FOR NEW MEDICAL EXAMINER BUILDING

Chairman Greg Cox will lead fellow supervisors and other County officials in breaking ground for the new Medical Examiner and Forensic Center in Kearny Mesa. The two-story, \$85 million building will be a state-of-the-art structure shared with the County Veterinarian's office. This will allow for combined forensics expertise and quick response to human and animal-borne threats like avian flu and West Nile virus.

Noon, Thursday, February 21, County Operations Center, 5555 Overland, San Diego

OTAY MESA CHAMBER CELEBRATION

Chairman Greg Cox will join members of the Otay Mesa Chamber of Commerce for their Annual Dinner Celebration & Auction. The Chamber is celebrating its 21st year.

7 p.m. Friday, February 22, South Bay Fish & Grill, 570 Marina Parkway, Chula Vista
